The segment reporting of the Company has been prepared in accordance with Accounting Standard (AS-17), "Accounting for Segment Reporting" issued by the institute of Chartered Accountants of India.

Segment Reporting Policies

(a) Identification of Segments:

Primary - Business Segment

The Company has identified two reportable segments viz. Hoteliering & Real Estate on the basis of the nature of services, the risk return profile of individual business and the internal business reporting systems.

Secondary - Geographical Segment

The Company operates entirely in India and hence has no reportable geographical segment.

- (b) Revenue and expenses have been identified to the segment on the basis of relationship to operating activities of the segment. Revenue and expenses which relate to enterprise as a whole and are not allocable to a segment on reasonable basis have been disclosed as "allocable expenses". Since the Real Estate segment is still in 'preoperative stage' all the other unallocable expenses are allocated to Hoteliering segment.
